

MAP OF HARMERGREEN CAMPSITE

Key Information

Camping

Spread through our 44 acres of ancient woodland, camping is in open glades. We also offer wooded areas ideal for bivouacking, survival skills and woodcraft.

Indoor Spaces

The recently refurbished Stag Cottage comprises a hall and separate leaders room. In keeping with the basic nature of the site, there are no kitchen or sleeping facilities in the Stag.

Waste and Recycling

We are committed to reducing our environmental impact and access to Harmergreen is not suitable for waste and recycling collection vehicles. We ask that you take any waste or recycling away with you and recycle using your local facilities.

For Your Security

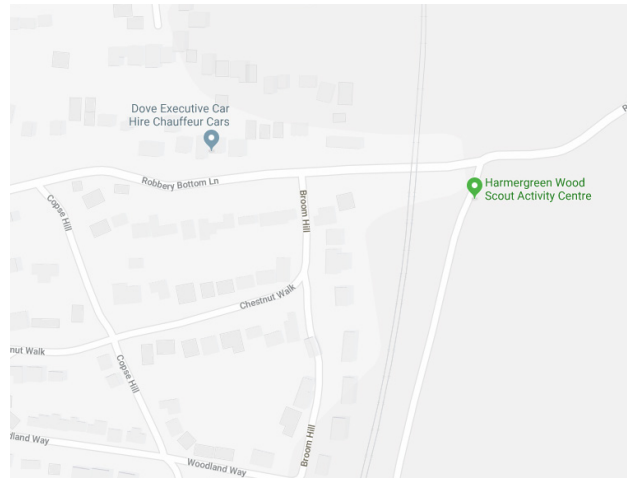

Our Duty Managers are available 24 hours in an emergency, we will provide contact details upon or prior to your arrival.

The entrance to the site is gated to control vehicular access, codes to access these gates will be provided as appropriate.
